Project Updates

Public Works Director Dave Buck updated the Commission on the following projects:

- Street Resurfacing Project – Work in the near-campus area of the Levee/Village TIF District has been completed. Concrete patching in the KCB TIF area will be completed this fall.
- Northwestern Ave. Safety Improvements Project – Work has progressed between Lindberg and Yeager Roads. Milestone has completed all possible work until INDOT has finished resurfacing. Landscaping, lighting and finishing details will occur after Labor Day.
- Happy Hollow Road Project – Design work is continuing. An informational and project update meeting for the public, specifically the Happy Hollow neighborhood, is scheduled for September 10, 2013. A May 15, 2014 letting through INDOT is anticipated with construction occurring later in the year.

- Cumberland Ave. Ph. III – Design and survey work is underway by American Structurepoint. Preliminary meetings with Duke Energy have been held. Design will be completed in 2014 and construction is anticipated to begin in mid-2014 on the section between Salisbury and Soldiers Home Road.

- Salisbury Street Ph. III – Approximately 75% of the design drawings are complete and ready to send to utility companies to begin coordination. The major improvement of the project which starts at Rainbow to US 52 will be the coordination of traffic signals between Navajo and US 52 which involves the Advanced Traffic Management System. The first implementation will be the Salisbury Street Phase III project. Bidding for the project is anticipated for November with a contract presented to the Commission before the end of 2013.

- Mid-Block Crossings – Improvements to the Sagamore West Farmers Market crossing on Salisbury Street and the Wabash Landing on Tapawingo are progressing through the INDOT process. A January 2015 letting is expected.

Parks Superintendent Joe Payne updated the Commission on the following projects:

- Cattail Trail Connection – Survey work is done and ready to be reviewed before beginning the INDOT process.

- Garden Street Neighborhood Park – Details of a consensus reached at a recent neighborhood meeting are to be presented to Joe Payne and a request for the expenditure of funds appropriated for the project is expected.

- Wabash Heritage Trail – Design improvements for the Trolley Line segment, the entry off of Indian Trail Drive to Happy Hollow Park, are in the final review stage. An illustration of the trail construction plans to meet ADA specifications was distributed and reviewed.

- Trail Seal Coating – KCB district segments have been completed.

Information Technology Director Anthony Newman updated the Commission on the following project:

- City Software from Tyler Technologies – Software has been installed. The Clerk-Treasurer's office staff has been in training and is diligently working on the new system.

State Street Master Plan Proposal – MKSK

Department of Development Director Poole reviewed the procedure used to obtain proposals to assist the City, Purdue University and PRF in creating a master plan for State Street from the river to the 231 corridor after it is transferred to the City from INDOT. Of the three proposals received, MKSK had the best understanding of the intent and scope of the project. The total contract is for \$188,500 and \$9,400 in reimbursable expenses which will be split equally between the City, Purdue University and Purdue Research Foundation. Eric Lucas, Principal of MKSK and director of the Indianapolis office gave a review of the company's background and experience. A detailed explanation of the process involved in creating the Plan was provided by Mr. Lucas. Input from The City of West Lafayette, the Research Foundation, Purdue University, State Street property and business owners, development community, apartment owners, and citizens will be included. The project will consist of three phases: Introduction and Reconnaissance, Analysis, and Solutions. Chandler Poole stated funding for the Plan will be taken from the Levee/Village Development Incentives allocation. Redevelopment Commission Treasurer Judy Rhodes requested frequent progress updates to the Commission. Commissioner Sorensen moved to approve the proposal from MKSK for the State Street Master Plan project equally split with Purdue University and Purdue Research Foundation for the total amount not to exceed \$197,900.
